**ULTRASOUND GROUP**

Dear Colleagues,

Welcome to the International Bowel Ultrasound Group Regional hands-on workshop  
**“Introduction to intestinal ultrasonography”**.

This IBUS workshop, which is the 1<sup>st</sup> module of the IBUS Curriculum, has been developed by a group of international experts in IBD and intestinal ultrasound (IUS), involving presentations, videos, and hands-on sessions. You will learn about the basics of IUS and the role of IUS in diagnosis, treatment, follow-up, and complications in IBD.

After this workshop, you will have basic knowledge on utilizing IUS in clinical practice and be ready for further training in Module 2 and 3 of the IBUS Curriculum.

We are looking forward to meeting you in Malmö, Sweden!

Best wishes,  
Peter, Mladen & Tillmann
