# Intestinal Ultrasound Unveiled

**1st IBUS Workshop for the Industry**

[ibus-group.org](http://ibus-group.org)

## Dear Colleagues,

We invite you to attend the “**Intestinal Ultrasound Unveiled**” 1st IBUS Workshop for the Industry taking place in Leuven, Belgium, on **June 25th, 2025**.

This exclusive workshop is designed for pharmaceutical industry professionals and ultrasound companies. It will focus on the role of intestinal ultrasound in patients' pathways and conducting clinical trials.

### Key Highlights:

- **Standardizing Assessments:** Learn about the latest developments in ultrasound scores, central reading, and IUS as trial endpoints.
- **Optimizing Site Performance and Selection:** Discuss strategies for effective site selection, training, and quality control for intestinal ultrasound in IBD studies.
- **AI-powered Solutions:** Today and Tomorrow
- **Collaborative Partnerships:** Network with key opinion leaders, ultrasound experts, and industry colleagues.

### Who Should Attend :

Representatives of Pharmaceutical Industry focusing on IBD, Clinical Trial Specialists, Medical Affairs Teams, Imaging Service Specialists, Ultrasound Companies representatives, Anyone with interest in IUS in clinical trials.

Limited places available, please register before **April 20th, 2025**.

Best Wishes,

Bram Verstockt – Chair, IBUS Scientific Committee

Rune Wilkens – Chair, IBUS Collaboration Committee

Krisztina Gecse – President, IBUS

# Program\*

Start	End	Session Title
08:00	08:30	<i>Registration and welcome coffee</i>
