Dear IBUS Governing Board,

I am writing to express my interest in the position of Treasurer on the IBUS Governing Board. With 8 years of experience across two committees and the eLearning working group, I have developed a comprehensive understanding of the organisation and deeply share its mission and goals.

As IBUS has undergone significant growth, supporting over 350 new trainees from 67 countries in 2025, I have had the opportunity to contribute to its evolution. Starting with the communication committee, introducing IBUS to social media posts and members newsletters, my role within the group then evolved to education. I have a strong belief in effective, efficient, systematic teaching. My passions combined have resulted in co-developing global eLearning training modules in collaboration with IBUS and GENIUS.

As my time with the eLearning Group comes to a close, I have realised I am not ready to depart. I am eager for a new challenge. I am confident my organisation skills, attention to detail and structured approach make me a strong candidate for the Treasurer position. I am currently able to dedicate the necessary time to succeed in this role.

IBUS is at a pivotal point in its development, having transitioned from a training and research organisation to a global governing body. I am excited by the prospect of continuing to contribute to its growth and realising its full potential.

Thank you again for considering my application. I look forward to hearing the outcome.

Kind regards

Dr Lauren White
